

TF

Sets of three medium voltage single-core cables up to 24 kV with heat shrink terminations

KEY FEATURES

- Reliable under harsh installation conditions
- Low labour costs
- Reduced storage costs
- Unlimited shelf life

FEATURES

- Sets of three RG7H1M1 single-core cables 12/20 kV by a leading manufacturer, with cable lugs and TTMT heat shrink terminations

Rated voltage $U_0/U (U_m)$
up to 12/20 (24) kV

Cable formation
3 ×

Suitable for:
RG26H1M16,
RG7H1M1

For indoor
installations

Compliance
CENELEC HD 629.1 S2
